COUNTRY ESTATE

## News Bulletin 29 November 2024

### Chairman's Corner

I want to wish all residents a happy festive season celebrated with family and friends.

Please note below the request for donations for our garden service employees and security guards so that we can provide them all with a contribution to their Christmas costs.

*Looking forward to seeing the Estate decorated with the holiday cheer.*

Wishing you and your families all the best for the new year. May we continue to build this great community of ours in 2025.

# Keeping your children safe

Residents are encouraged to promote open communication and put their children's safety on the estate first over the holidays. Instruct children on safety measures including never taking a walk alone, keeping an emergency contact list, and knowing who to trust.

Ensure that outdoor activities are supervised and stress the importance of exercising caution when it comes to lights, outlets, and decorations. Prior to meeting friends or neighbors, establish ground rules and boundaries.

When moving between properties please stress the requirements of using vehicles and golf carts. **No unlicensed individual may operate any form of self-propelled vehicle.**

Lastly, emphasize how important it is to report any suspicious activities or concerns as soon as possible.

## Festive decor

*Presents, reindeer, lights, and the spirit of giving all come to life during this time of year.*

Although 2024 has been an experience, we are grateful for another year of life.

*Assist us in spreading happiness by illuminating the estate with the most magnificent lights possible.*

# Service arrangements

Building contractors are to stop work on **13 December 2024** and may resume building activity upon re-registration on **Monday, 6 January 2025**.

Mbombela Municipality has advised that they will continue to remove domestic refuse on Mondays and Fridays, throughout the Festive Season, whether it is a public holiday or not. If not collected, residents are asked to please retract their bags/bins until the following collection date.

The Estate office will be closed form **20<sup>th</sup> of December 2024 from 15h00** and will reopen on **Monday, 6<sup>th</sup> of January 2024**.

The following service will continue as per below:

Lawn mowing

and

Garden refuse removal

services will continue throughout the festive season, with the exception of:

# Petcare & Keyholders

You can keep your home and pets secure during the Festive season by hiring house and pet sitters while away.

House sitters not only offer additional security but also look after your property, allowing you to enjoy your vacation without worrying about your house or pets.

For facial biometrics to be loaded, please make sure your keyholders' applications submitted on time.

## Spirit of Giving

As a gesture of appreciation, the Board of Directors will be providing a cash contribution to the grass cutting team and security guards for serving the Estate throughout the year.

Any residents who wish to participate in contributing towards this gesture, are welcome to do so.

***All cash contributions should be dropped off at the GM, during office hours or alternatively, cash-send can be sent to 067 594 3628***

***We would also like to request all residents consider assisting White River SPCA in the form of cat/dog food or necessities.***

Please drop off your goodies at the Estate Office by no later than **Thursday, 19<sup>th</sup> of December 2024.**
